💼 WORK EXPERIENCE

Dec 2023 – Feb 2024

Front-end Developer

Tetbit L.L.C Gjakove

I worked as a Front-end developer using Next.js, Typescript and SCSS as main technologies. I translated design mockups into responsive web applications, implemented efficient React components, and utilized Next.js for server-side rendering. I contributed to the creation of visually appealing and high-performance web solutions.

Mar 2023 - Dec 2023

Front-end Developer

Gjirafa Inc., Prishtina

Worked on Gjirafa at e-commerce as frontend developer where I collaborated closely with our design and backend teams to bring user interfaces to life using MVC Razor Pages. I worked with HTML, CSS, JavaScript/jQuery, React and Razor syntax to transform design and backend functionality into interactive platform that meet both user and business needs.

Mar 2021 - Sep 2021

AI data labeling

Jakova Innovation Center, Sweedish Forest Agency, Gjakovë

Jakova Innovation Center with the help of Swedish partners, supported by Microsoft commenced an AI project, my job was to label trees from drone photographs of forests in Sweden through Microsoft's cloud service Azure.

Jul 2017 - Oct 2017

IT

Municipal Assembly of Gjakova, Gjakovë

Was charged with maintaining Gjakova's assembly electronics systems and organizing them as an intern. Also, I maintained individual equipment used by many departments of the municipality.
I worked with other IT specialists together on optimizing existing infrastructure.
